

Laboratory Locations in Rome:

A: Floyd Medical Center (open daily)

Enter the main entrance of the hospital. There will be a desk on the right labeled "Guest Relations / Registration Desk". Let the secretary know that you are there for outpatient blood work. From that point the staff will direct you through your registration and lab work.

B: Southeastern Pathology (open Monday through Friday 8:00 am - 5:00 pm, closed for lunch from 12:30 - 1:30). Located at 311 West 8th Street, behind Floyd Medical Center's parking deck. Advise clerk at front desk that you are there to have lab work done for LabCorp. The staff will assist you through your registration and lab work.

Laboratory Locations in Cedartown:

C: Polk Medical Center (open daily)

From our office, head east on West Avenue toward Furnace Street. Turn Left at South Main Street. Polk Medical will be on your right at 424 North Main Street.

Enter the main entrance of the hospital. On the left there will be "Out Patient Registration". Patients should bring insurance card/s, photo ID and order from physician.
